Paper 5

BRITISH ECONOMIC HISTORY

PROJECT

This project carries 50% of the mark for Paper 5.

There are two titles on the British Industrial Revolution; students are required to answer only **ONE** question.

Your project report should not exceed 2500 words.

Make sure the question title is included on your title page.

Write your **blind grade number** (not your name) on the header of your essay.

Further information is available on the Moodle site.

EITHER

1. In what ways did the British state help or hinder the British Industrial Revolution?

OR

2. Karl Marx famously argued that the British Industrial Revolution grew out of the exploitation of the working class. Was he right?
